Welcome

Version 1.0

COMPANY PROFILE

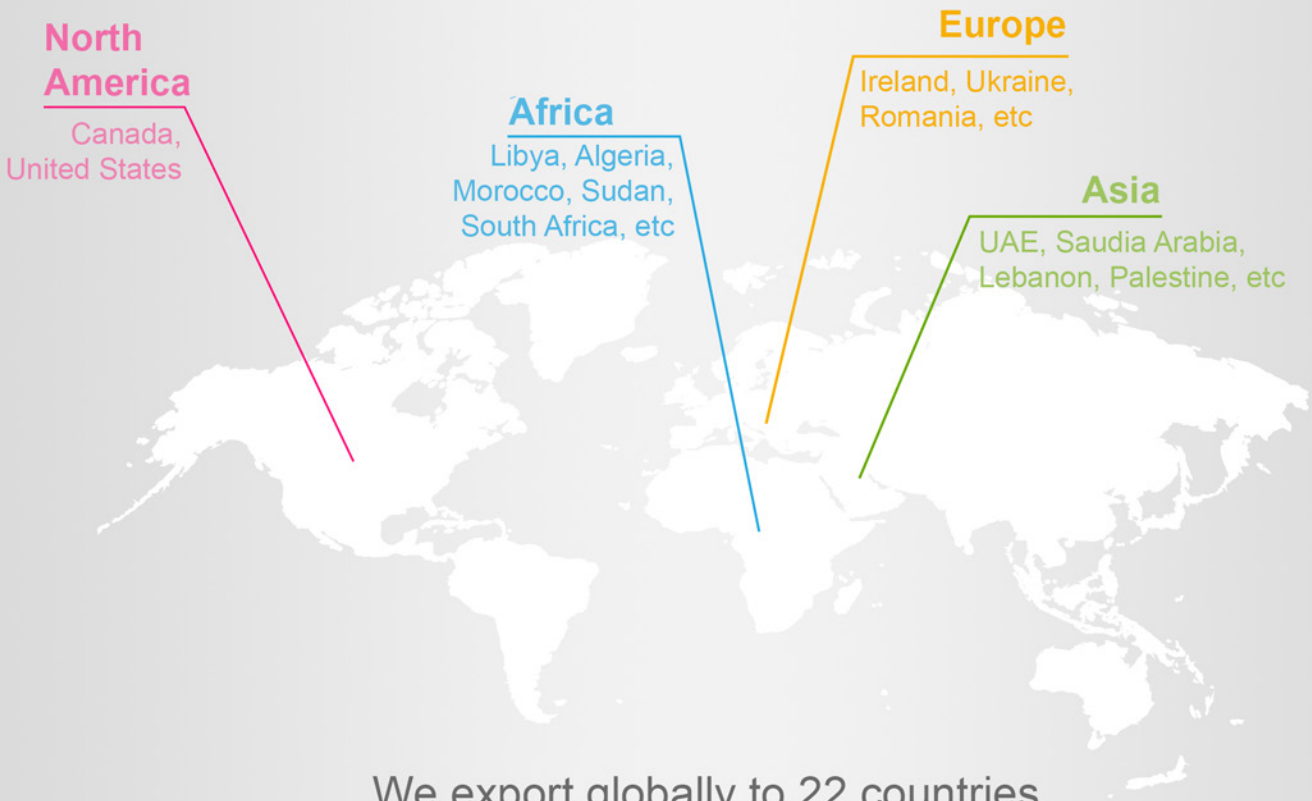

Our Brand, ICEBERG, has been in the market for over 30 years (since 1987). We specialize in the manufacturing of commercial refrigeration units for Pastry houses, Coffee shops, Restaurants & Supermarkets. Our standard models & sizes provide customers with a wide range to ensure proper selection of units that suit their needs and space.

Special customers require special needs. With our custom department, we can produce specially designed units that suit the customer requirements while still maintaining ICEBERG's famous stable cooling techniques.

All units are manufactured with the latest field technologies and standards in order to provide maximum efficiency, durability and of course longest lifetime with the best quality finish.

All products are covered with a standard one (1) year warranty. We also offer extended warranty to help our clients focus more on their business and leave their maintenance on us.

EXPORTING GLOBALLY

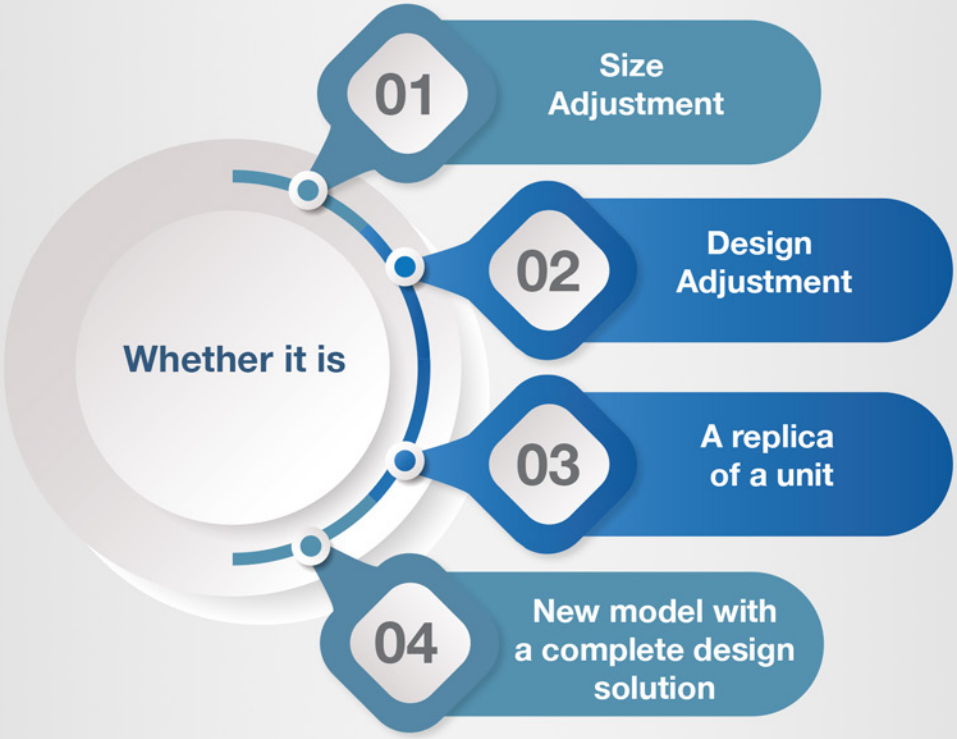

We export globally to 22 countries.
